WFL BOCES School Library System

Re: Administrator of the Year Award

Attached are the instructions with the criteria list and the nomination form for the Administrator of the Year Award. The nominations must be received in the School Library System office by Friday, March 24, 2006.

I am looking for 5 volunteers to judge the Administrator of the Year Award applications. A nominee or nominator cannot be a member of the selection committee.

Please call the office at 315/332-2100 if you are willing to be on this year's selection committee.

Thank you.
