

**Wayne-Finger Lakes BOCES
School Library System
Cooperative Collection Development Plan**

This plan has been developed in accordance with Commissioner's Regulations 90.18 Plan of Service (ix) the plan for cooperative collection development implementation and the Wayne-Finger Lakes BOCES School Library System Plan of Service 2006-2011 *Section 1. Resource Sharing, Element a. Cooperative Collection Development and Element c. Interlibrary Loan.*

Goal

To improve the quality of education for students in the region by providing cost effective access to a greater diversity of instructional material through a coordinated cooperative collection development grant program

Objectives

The objectives of the Cooperative Collection Development Plan are to:

1. support a grant program to develop and increase collection strengths in member libraries
2. develop library collections that support special clients or curriculum, AASL Standards for the 21st Century Learner, and the New York State Learning Standards
3. increase resource sharing among member libraries

Governance

A Cooperative Collection Development Review Committee, comprised of the Resource Sharing Committee and school librarians under the direction of the School Library System Council and the Director will oversee the program. The committee will:

1. review the grant applications and rate each one according to a rubric
2. select grant recipients
3. work with the Resource Sharing Committee to promote resource sharing
4. committee members who are applicants must recuse themselves

Member Responsibilities

Members of the Wayne-Finger Lakes BOCES School Library System will be expected to participate in the Cooperative Collection Development Program. Members will:

1. agree to participate in resource sharing through interlibrary loan
2. prepare and submit grant applications
3. if awarded a grant, select material to support special clients or the curriculum, AASL Standards for the 21st Century Learner, and New York State Learning Standards
4. submit order to SLS office for processing and payment

Evaluation

This plan will be reviewed and evaluated by the Resource Sharing Committee on an annual basis. Criteria to be used to determine effectiveness of the program will include:

1. review of the grant application process and rubric
2. number of grant applications received and number awarded
3. information received from responses on School Library System annual evaluation
4. listing of grants awarded by year, library and subject
5. interlibrary loan statistics
