Dear valued customer:

Due to a major fire event in the facility of a key recycled fiber supplier, Domtar's ability to manufacture the 20# EarthChoice / Lettermark Multipurpose Colors (post-consumer waste recycled products) has been severely impacted. This letter provides notice of an order moratorium on the 20# EarthChoice / Lettermark Multipurpose Colors only. The duration of this order moratorium is unknown, but we will update you as more information becomes available.

We are diligently working with our suppliers and are evaluating options.

Thank you for your support and business.

Sincerely,

Economy Products & Solutions, Inc.
