

### **ICE CREAM FREEZER CABINETS:**

The successful Bidder(s) are to provide freezer cabinets for storage of ice cream that are furnished with a mounted thermometer and lock with key. The successful vendor(s) will be required to furnish freezer cabinets with front loading feature at all Participants that require such units, and must be of capacity to store daily.

The successful Bidder(s) is to provide display freezer cabinets for ice cream sales that are furnished with a mounted thermometer. The successful vendor will be required to furnish display freezer cabinets at all Participants that require such units. If required, freezers must have locks and wheels.

**Any Participant that requires holding refrigeration units or display freezers must be supplied with the units upon request at no additional charge to the participant(s) for the duration of the contract.** Bidder shall furnish the latest type of ice cream cabinets containing an odorless, tasteless and harmless refrigerant and shall maintain the equipment in normal operating condition at all times. The Bidder shall inform each school's Cook-Manager of any routine cleaning which should be done to prevent problems with each freezer. Check food service area for freezer space – freezer must fit. Freezers must be in good condition. Freezers with broken seals, dents, defective locks, inoperable wheels, or other non-working parts must be repaired or replaced within 30 days of receiving written notification from the school district.

In case of mechanical or other failure of equipment of the contractor(s), it shall be the responsibility of the contractor(s) to maintain and repair all equipment at the expense of the supplier. It is unknown at this time which districts require these units. If a freezer becomes inoperable (such as a motor malfunction) a substitute freezer must be provided within 72 hours of notification, verbal or written by the school district.

Freezer requirements list known as of the date of this bid. ***The awarded vendor(s) must contact the individual participant(s) prior to first shipment to determine what equipment is needed.***
